1(a) Acceptable

1(b) Acceptable

3(a) Acceptable

3(b) Acceptable

3(c) Acceptable

3(d) Acceptable

3(e) Should stand in the present form. Paragraph 1(e) simply states objectives, and is not explanation or guidance.

3(f) Recommend that present wording be retained. The phrase referred to is an assumption, valid when written and then generally agreed to. It should stand unless there is evidence ruling out the assumption.

3(g) Acceptable

3(h) Acceptable

2. It is noted that the changes proposed in (f), (g), and (h) above refer to a text which has already received PIB approval (14 January 1953).
